### Three Months Forecaster

As the planets move around the zodiac they make 'aspects' or angles to the planets in your birth chart. In astrology these 'aspects' are called 'transits' and they are detailed in the pages that follow.

Sometimes a planet may aspect another, then appear to move forwards and then backwards for a long period of time recreating the same 'aspect' several times over. This backwards motion is known as 'retrograde' motion.

This forecast can be used as a helpful guide to the next three months. At all times it is for you to choose the best path to follow and develop the most positive parts of your character.

#### **From about: 1 April 2008 to about: 20 April 2008**

 transiting your natal 7th House

##### **Significant others**

Personal and business relationships and partnerships come to the fore. You should now be dealing with the public or working in a team effort much more than usual. You will also be looking for feedback and reassurance from others. But there may be a tendency to expect too much from relationships, resulting in disappointment when your partner does not or can not live up to the image that you have projected onto them. In any marriage or partnership, this is a time to be honest about what you want and expect from each other. There may now also be some conflict or concern with legal matters.

#### **From about: 1 April 2008 to about: 4 April 2008**

 transiting your natal 6th House

##### **Busy**

Your focus will now be on health and work. Being more meticulous and attentive than usual, this is an excellent time for work which requires mental skills. You will feel that if a job's worth doing, it will be worth doing very well indeed. However, take care not to worry excessively or nervous tension and stress could cause ill health. Beware becoming overly critical of others or bogged down in petty details. Often physical problems or illness are messages from your own unconscious mind, making you aware of things you may be doing wrong, or bringing to the fore repressed problems. Perhaps at the moment minor illnesses may be masking deeper emotional problems.

#### **From about: 1 April 2008 to about: 8 April 2008**

 transiting your natal 6th House

##### **Work**

Your focus will now be on work, health and helping others. Personal responsibilities or obligations towards others may increase, possibly causing resentment. Nevertheless, you will be more prepared to co-operate at work. A pay increase or bonus is likely. You will now feel that if a job is worth doing, it is worth doing well. But take care that in your aim for perfection, you are not overtaken by competitors who are prepared to accept less than the best. You may also decide to redecorate or make your work environment more pleasing to the eye. As health will also be of importance, you will want to look and feel better. Try that new diet or exercise class, this time you may stick with it!

**From about: 1 April 2008 to about: 19 May 2008**

♂ transiting your natal 10th House

**Motivation**

A great deal of energy will now be directed into your career and the achievement of ambitions. You will now be able to work extremely hard until a job is done. Taking the initiative, you will direct your energies in a self-assertive and aggressive way. However, this determined drive to get ahead could alienate and threaten colleagues and possibly even those in authority. Disagreements with your father figures are also likely. However, if you manage to get others on your side, then this could be an extremely productive and successful time. But do beware the tendency of identifying your ego with status and position.

**From about: 1 April 2008 to about: 30 June 2008**

♃ transiting your natal 4th House

**Home front**

This should be a time of peace and security within the home. All matters relating to property will be especially highlighted, whether you are buying, selling or redecorating investment property or your home. This should also be a time of generosity, stability and security within your home life. If need be, turn to your family for help. It is also a time to put down roots. Having reached a cross-road, you will now have to face truths about yourself, even those you do not really want to acknowledge, but at least then you will be free to choose the next path to follow. Parents may now offer financial help.

**From about: 1 April 2008 to about: 30 June 2008**

♃ transiting your natal 11th House

**Collaboration**

At the moment your friends may either present you with the challenge to face your deepest insecurities and inhibitions, or they may become something of a burden - dumping their problems onto you. You must resist the temptation to feel responsible for taking on problems that they should be dealing with themselves. There is also the possibility that some friendships or associations will end or be less easygoing than usual. You may now find it difficult to work with others but if you overcome obstacles and become a team player, the future rewards could be well worth the effort.

**From about: 1 April 2008 to about: 30 June 2008**

♃ transiting your natal 6th House

**Work conditions**

Indicates change in your work environment. You are not likely to stick to a job out of a sense of duty or tolerate a job that has become routine and boring. However if you resist this change, then it may be forced upon you. Your work needs to allow you scope for originality, inventiveness and movement. You will want to do things your own way, and will dislike being bound by other people's rules and regulations. There is also a slight possibility of stress related illnesses or insomnia, as well being more accident prone than usual.

**From about: 1 April 2008 to about: 30 June 2008**

 transiting your natal 5th House

**Sensitive**

Your strong creative imagination could now be expressed through music, literature, drama or art. However, some form of sacrifice or confusion may be experienced. You may have to either sacrifice all for art's sake, or you may be forced to give up your creative and artistic aspirations to deal with more practical duties. You will also be intensely idealistic in romance, willing to sacrifice all for love or being content to worship from afar. No real person could possibly measure up the romantic standards you will now set. With children, also, there may be an element of sacrifice. Perhaps you will feel that you have to give up your own aspirations for the sake of your children; or your children are not living up to your expectations. Beware unwanted pregnancies. Avoid gambling or financial investments.

**From about: 1 April 2008 to about: 30 June 2008**

**Thought processes**

Your thought processes will now undergo a steady, significant change or a powerful emotional crisis may force you to change the way you think and react to others. You will not be satisfied with superficial or obvious solutions to problems, delving deeper than usual for the truth - possibly through travel. You may be forced to face your deepest fears, possibly with some accompanying emotional pain. You may feel that a part of you has died, but the death of an old way of being or feeling usually has to occur in order to make way for something new to grow. There is also the possibility of upheaval or change with regard to brothers, sisters or local residents.

**From about: 1 April 2008 to about: 2 April 2008**

**Confusion**

There is a certain amount of tension and confusion in your mind as to what to do next. One minute you could be feeling elated as if you could conquer the world, and the next minute, be plunging to the depths of depression, questioning and doubting your own abilities. However, don't reject any changes in your life, no matter how disruptive.

If opportunities do come your way during this period then take them, even if you are in one of your 'doubting' moods. These opportunities will represent a new chance to break free from outworn, inhibiting habits and circumstances.

Don't worry if you feel that you are sometimes taking one step forward and then two steps backwards. This period is all about balanced personal growth. For everything you learn, something will have to fall by the wayside - maybe an outworn idea, maybe a mundane job, maybe even a stale relationship - but whatever you've now cut out of your life, it is because it is no longer needed.

Something hidden from your personal past may now come to light.

Patience will be needed during this time so don't rush plans and ideas. Put temporary brakes on any major financial or business plans whilst there is so much confusion concerning your future. Wait until the dust settles. There may also be some conflict between your personal life and career with one seemingly interfering with the other. Be prepared to compromise and find a balance between these two important areas of your life.
