Lovers Guide

Venus, 'the planet of love', is what this two part report is all about.

Part one - Love Expression

The position of Venus in your birth chart is interpreted here. Venus, the planet of romance, is a pivotal influence in defining how you fall in love, stay in love and what you look for in a lover and 'soul mate'. It not only represents love and affection, but also harmony, cooperation and the way you feel about and react towards other people. It reveals the kind of lover you are and how you express yourself when you are in love.

Each connection is given a Star Rating from one to five to show its relative importance in the way you express yourself. To the right of each pair of symbols is a group of five stars ★☆☆☆☆; the more dark stars there are the more important the connection. The keys for the planets and the other symbols and terms used are given at the back of the report.

Part two - Year Developments

The 'transits' of Venus, as it moves through the Solar System, shows how you change, grow and develop when it comes to your relationships in general and your love life in particular.

In your 'Lovers Guide' we interpret only the transits that Venus will make to the other planetary bodies; Mercury, Mars, Jupiter, Saturn, Uranus, Neptune and Pluto as well as the Sun and Moon.

Lovers Guide should only be used as a helpful guide for the periods indicated. At all times it is for you to make use of your most positive characteristics and the periods indicated.

If you are not sure of your exact time of birth then the sections relating to your Ascendant and Houses should be ignored.

Sometimes when a planet 'transits' a planet, it first appears to move forwards and then backwards for a period of time re-creating the same 'transit' several times. This apparent backwards motion is known as 'retrograde' motion.

Venus

Represents how you express your emotions within love, marriage and other personal relationships. It also indicates your attitude towards money, possessions and your aesthetic values.

Capacity for love

You have an unconventional approach to relationships. Jealousy and possessiveness horrify you and you'll probably insist on a great deal of personal freedom in any relationship. This can cause problems if you have a partner who needs more of a one to one relationship.

2nd house

Possessions and what you own, accumulation of wealth and resources or acquired skills and gifts which give you a sense of value, worth and personal security.

♀ in 2nd House

Love and what you value most

You love the good things in life and have the ability to attract the things you want. You may occasionally, however, place too much value on material possessions and creature comforts. When in love, you have a need to form stable and lasting relationships, but may become too possessive.

Jupiter in your chart represents expansion, your sense of fun, optimism and generosity. It also indicates attitudes concerning your religious and philosophical beliefs.

Charming

You possess an easy-going charm that others feel at ease with. You're always willing to give praise where praise is due. You're an outgoing person who loves life and enjoys being with friends, but you're by no means superficial or vain. Possessing sympathy and understanding, friends often turn to you when they're feeling down, or are in need of a sympathetic ear from someone who can listen without judging.

Pluto

Represents the secretive side of your nature, your obsessions and shows us how to come to terms with and deal with your deepest insecurities.

Power struggles

There may be possible power struggles in your relationships, with jealousy and possessiveness often being the catalyst. There's a danger that you may find yourself constantly attracting relationships that won't satisfy your emotional needs. You have intense feelings that need room for expression in your relationships, but you also need to be careful to respect and acknowledge other people's needs and feelings.

Part two - Future developments

The 'transits' of Venus, as it moves through the Solar System, shows how you change, grow and develop when it comes to your relationships in general and your love life in particular.

In your 'Lovers Guide' we interpret only the transits that Venus will make to the other planetary bodies; Mercury, Mars, Jupiter, Saturn, Uranus, Neptune and Pluto as well as the Sun and Moon.

From about: 1 July 2007 to about: 5 July 2007

♀ transiting your natal 7th House

Interaction

The focus is on all relationships, business or personal but especially romance. As you will be so relaxed, love relationships should be a source of tremendous pleasure and satisfaction. You will now go out of your way to show loved ones just how much you care. A new love affair could begin but take care not to place a lover on too high a pedestal or expect them to live up to some kind of impossible ideal. Feeling confident and more co-operative, past differences could now be more easily resolved, especially any matter concerning legal confrontations.

From about: 5 July 2007 to about: 31 July 2007

♀ transiting your natal 8th House

Trust

This period often brings an intensification of feelings for another and can bring about some positive developments in your sex life. You may also find that money matters flow more smoothly now. Trusting others helps in sharing resources.

From about: 10 July 2007 to about: 13 July 2007

♀ ♃ ♀

Hold on tight

Keep a tight hold on your purse strings, every little luxury that you now see will seem like a necessity! Business negotiations should also be temporarily postponed. Watch out for confrontations with loved ones, especially women. But do not concede just for the sake of peace and quiet, you could be in the right!

From about: 16 July 2007 to about: 23 July 2007

From about: 31 July 2007 to about: 31 July 2007

Carefree

During this time, you will put others before yourself and will be seen as sympathetic, generous and out-going giving support and love to those in need. Now could be the beginning of pleasant, romantic love affair. Strenuous work should be avoided, as you will be feeling unhurried and carefree. But watch your diet, as weight could easily be gained.
